

## **Asset Entities Inc. to Attend Stripe Sessions 2024 April 23rd-25th, in San Francisco**

**April 4, 2024 12:00 PM EDT**

DALLAS, April 04, 2024 (GLOBE NEWSWIRE) -- Asset Entities, Inc. (NASDAQ: ASST), a provider of digital marketing and content delivery services across Discord and other social media platforms, and Designer, Developer, and Manager of Discord Server communities through its AE.360.DDM suite of services, is participating in the Stripe Sessions 2024, which will take place April 23-25, 2024, at the Moscone Center West in San Francisco, California.

The Company will be in person representing its AE360DDM Discord design, development, and management services and Ternary, a Stripe Verified Partner for CRM and payment processing for Discord.

"We are excited about this tremendous opportunity to network with technology experts and to share more about our latest innovations at this key industry event," said Chief Executive Officer, Arshia Sarkhani. "We look forward to supporting our major partner, Stripe, with our attendance at this conference, whose payment processing technology has been a key component in the growth of the Discord business and a key driver in expanding our customer base through leveraging cutting-edge platforms to enhance user experiences and maximizing collaboration within the gaming ecosystem."

"Additionally, we look forward to engaging with other industry leaders to explore more partnership opportunities, introducing our Discord DDM business and Ternary CRM and payment platform to a large, diverse audience, and discussing innovative ideas and solutions, including the current and future state of the global economy," commented Sarkhani.

Aside from being a Discord design, development and management business, Asset Entities is also a Stripe Verified Partner through Ternary. This CRM and payment platform underscores the Company's dedication to providing secure and reliable payment processing solutions while instilling confidence in its clients and partners.

Stripe Sessions 2024 is a three-day, in-person event that brings together business leaders and builders to discuss the most important internet economy trends. This year, the conference will focus on what is possible and what is inevitable as technological advancements change the world and the global economy.

### **Important Cautions Regarding Forward-Looking Statements**

This press release contains forward-looking statements. In addition, from time to time, representatives of the Company may make forward-looking statements orally or in writing. These forward-looking statements are based on expectations and projections about future events, which are derived from the information currently available to the Company. Such forward-looking statements relate to future events or the Company's future performance, including its financial performance and projections, growth in revenue and earnings, and business prospects and opportunities. Forward-looking statements can be identified by those statements that are not historical in nature, particularly those that use terminology such as "may," "should," "expects," "anticipates," "contemplates," "estimates," "believes," "plans," "projected," "predicts," "potential," or "hopes" or the negative of these or similar terms. In evaluating these forward-looking statements, you should consider various factors including those that are described in the section titled "Risk Factors" in the Company's periodic reports which are filed with the Securities and Exchange Commission. These and other factors may cause the Company's actual results to differ materially from any forward-looking statement. Forward-looking statements are only predictions. The forward-looking statements contained in this press release are made as of the date of this press release, and the Company does not undertake any responsibility to update the forward-looking statements in this release, except in accordance with applicable law.
